

ORGANIC BLACKSTRAP MOLASSES

Pasteurized (INGREDIENT)

Wholesome Sweeteners Organic Blackstrap Molasses is made from certified organic cane sugar that is grown on farms employing sustainable agricultural growing practices. Our molasses is processed under strict organic standards without synthetic chemicals and is unsulphured. Blackstrap-style molasses is made near the end of the sugar process, which is why it is the most nutritious and full-flavored molasses. Wholesome Sweeteners Organic Blackstrap Molasses is grown and produced in South America. Subject to availability Fair Trade Certified™ may be requested.

PRODUCT ATTRIBUTES

No additives or preservatives. Unsulphured. Rich, dark, organic sweetening and binding agent. Nutrient rich (iron, potassium and calcium). Perfect organic replacement for refined molasses.

SHELF LIFE AND CODE DATING

Shelf life is twelve (12) months. The recommended storage temperature is 70° - 80° F. A controlled environment enhances the storability. The date code consists of 6-7 digits that identify the production date and facility. Example: 07-001-Z would indicate the product was produced on January 1, 2007 at facility "Z".

QUALITY PARAMETERS

This product is produced and processed under hygienic conditions and Good Manufacturing Practices. It is not irradiated or produced with genetically modified materials. Wholesome Sweeteners' products are not manufactured using any animal by-products and are suitable for vegans.

PACKAGING MATERIAL

Metal drums. Plastic pails.

Product Code: 41080 41085
Pack Size: 55 gallon Drum 5 gallon Pail
Pallet Quantity: 4 drums/pallet 36 pails/pallet
